

## CoolSculpting® consultation checklist

Here are some questions to ask your provider:

- How many CoolSculpting® treatments do you think I'll need to achieve my desired results?
- How many treatment sessions (visits) will I need to achieve my goals?
- Can you show me your practice's CoolSculpting® before and after photos?
- How long will each treatment take?
- What happens to the frozen fat cells?
- When can I expect to see results?
- How long will the results last?
- Will CoolSculpting® hurt?
- What are the risks of CoolSculpting®?
- Is there any downtime?
- Are there any restrictions on activities after treatment?
- What are the possible side effects?
- Can I gain weight after having a CoolSculpting® treatment?
- Will I lose weight after having a CoolSculpting® treatment?
- What can I expect to pay?
- Are payment plans available?
- Is CoolSculpting® covered by my insurance?
- How do you ensure patient satisfaction?
